

```
include/beecrypt/aes.h
```

A diagram consisting of two rectangular boxes, one at the top and one at the bottom. The top box is light gray with a black border and contains the text 'include/beecrypt/aes.h'. The bottom box is white with a black border and contains the text 'include/beecrypt/aesopt.h'. Two dark blue arrows connect the boxes: one arrow points from the bottom box up to the top box, and the other points from the top box down to the bottom box, indicating a bidirectional relationship.
